

Searching a Collection

The introductory pages of this web site give details of some of the Collections and Collectors of Norfolk fossils - and sometimes fossils from further afield.

You can see the currently available collections by going to the Collections > Search page. Click on the 'Search Box' option and then going to the 'Search Restrictions' and clicking the drop-down option on the 'Collection' box.

For this example you will find the following:

Any

A search will go through all the collections currently on the website..

Gurney

A search will restrict itself to the Anna Gurney collection, items from which are held at Cromer Museum and at Norwich Castle Museum

John Gunn

A search for items from the Rev John Gunn collection at Norwich Castle Museum.

Savin

Items from the Savin collections held at Cromer Museum and at Norwich Castle Museum.

Savin - NHMUK

Items in the Natural History Museum in London Savin collections

Stewart

The collection of Jonathan Stewart, as catalogued by Jonathan and former Curator at Cromer Museum Martin Warren.

Warren

Items collect and catalogued by Martin Warren.

The data available and the collections available are growing, so may be developed from those in this guide sheet. For more on the Collectors themselves, visit Cromer Museum or go to the 'Collectors' tab on the main menu.
